FAMILY WINERY AND VINEYARDS

2017 ESTATE CABERNET SAUVIGNON

We respect the land where our vineyards grow - our family's connection to nature gives our wine its foundation and individuality. Distinct soil and climate coupled with responsible farming practices highlight the character of each vintage from our generational farm in Lodi, California.

GROWING SEASON

The 2017 growing season marked the end of the drought with heavy winter rainfall that continued into the spring. Due to the rain, timely vineyard practices were crucial and we adapted our cultural techniques to maintain vine balance. Heat spikes during late August to mid-September required close attention to irrigation to ensure vine health. With the given weather, our winegrapes developed the required sugars, but full flavor maturation delayed our harvest. The wait was worth it and the outcome was a vintage that boasts bright and fresh whites with ideal levels of acidity and red wines that are showing good intensity and concentration.

VINEYARD NOTES

Our LangeTwins Estate Cabernet Sauvignon draws on winegrapes from our estate vineyards in the center of the Lodi Appellation. From gentle rolling vineyard floors to the influence of a nearby river, each vineyard has unique attributes that are essential to the consistent style and quality.

WINEMAKER NOTES

With a welcoming aroma of fresh ripe cherries, our 2017 Estate Cabernet Sauvignon is immediately approachable. The initial cherry flavour carries over to the palate and extended maceration gives a natural lushness with broad yet developed tannins. With 20 months in predominately French oak barrels, rich oak notes complete the wine.
