FAMILY WINERY AND VINEYARDS

## 2018 ESTATE SANGIOVESE ROSÉ

We respect the land where our vineyards grow - our family's connection to nature gives our wine its foundation and individuality. Distinct soil and climate coupled with responsible farming practices highlight the character of each vintage from our generational farm in Lodi, California.

### GROWING SEASON

Weather is a key element of farming – it plays a crucial role in the health of our vines and winegrapes. Daily temperatures and rainfall come together to dictate the growing season, making each vintage distinctive. 2018 was a long and even season with moderate conditions and mild summer weather. This allowed the winegrapes to mature slowly with even ripening, pushing our start of harvest to August 6<sup>th</sup>, 10 days later than the previous two years. The overall moderate to cool harvest conditions were good for flavor development, but on October 3<sup>rd</sup> we endured rain showers. Luckily the following two weeks were dry and sunny helping finish the sugar accumulation in our mid to late ripening varieties. We ended harvest in November, one of the latest in recent memory, with particularly good quality and spectacular color in the red varieties and white varieties with sound flavor and acid development.

### VINEYARD NOTES

Across Jahant Road from our winery in the heart of the Jahant Appellation of the Lodi Appellation sits our Sangiovese vineyard. It thrives in our dry region allowing the winegrapes to take their time to develop, budding early and ripening slowly. This lengthy growing season creates richness and intense flavors.

### WINEMAKER NOTES

Our 2018 Sangiovese Rosé boasts straightforward bright aromatics of strawberries. As the wine reaches the palate, the aroma carries over reminding us of handpicked wild strawberries mingled with juicy watermelon notes. It is a balance of zesty and smooth flavors with a lasting finish.
