

SAND POINT

FAMILY VINEYARDS

At Sand Point, we think nature has its place – and that place is in and around our vineyards. We've restored the riparian habitat where our ranch meets the Mokelumne River – including the spot that gave Sand Point its name. Since then, we've brought nearby sloughs back into natural balance and surrounded our vineyards with 15-foot-wide swaths of native plants and trees, inviting bugs, birds and animals to make themselves at home. In return, the healthy soil and water nourishes our vines. Wild? Yes... but to us, it's following in nature's footsteps.

TASTING NOTE

Vibrant in color, our 2017 Cabernet Sauvignon opens with an appealing aroma of bright berry. Smooth tannins support the core flavors of fresh cherry and ripe berry, which are intertwined with spice from the oak aging. As a full-bodied wine, it is easy to enjoy for any occasion.
