FAMILY WINERY AND VINEYARDS

## 2019 ESTATE SANGIOVESE ROSÉ

We respect the land where our vineyards grow - our family's connection to nature gives our wine its foundation and individuality. Distinct soil and climate coupled with responsible farming practices highlight the character of each vintage from our generational farm in Lodi, California.

### GROWING SEASON

The 2019 growing season brought above-average winter rainfall that transitioned into a mildly-cold and wet early spring. The first sign of bud-break was slightly later than prior years, however, with a very warm April our vines responded with rapid growth. May arrived with a strong winter-like storm dropping between two and three inches of rain causing fast growing canopies that required leaf pulling and trimming to open the vine for even ripening. Verasion progressed steadily to harvest which began at the end of July and continued through October, where on average there was moderate daytime warmth and cool evenings that helped retain the winegrapes' freshness.

### VINEYARD NOTES

Across Jahant Road from our winery in the heart of the Jahant Appellation of the Lodi Appellation sits our Sangiovese vineyard. It thrives in our dry region allowing the winegrapes to take their time to develop, budding early and ripening slowly. This lengthy growing season creates richness and intense flavors.

### WINEMAKER NOTES

Our 2019 Sangiovese Rosé opens with a light fruit and floral aroma. Once on the palate, bright strawberry notes become the main focus and remain through to the finish. As a crisp and refreshing wine, with body in the mid-palate, there is a nice balance that leaves you wanting to have another taste.
