FAMILY WINERY AND VINEYARDS

## 2019 ESTATE MOSCATO

We respect the land where our vineyards grow - our family's connection to nature gives our wine its foundation and individuality. Distinct soil and climate coupled with responsible farming practices highlight the character of each vintage from our generational farm in Lodi, California.

### GROWING SEASON

The 2019 growing season brought above-average winter rainfall that transitioned into a mildly-cold and wet early spring. The first sign of bud-break was slightly later than prior years, however, with a very warm April our vines responded with rapid growth. May arrived with a strong winter-like storm dropping between two and three inches of rain causing fast growing canopies that required leaf pulling and trimming to open the vine for even ripening. Verasion progressed steadily to harvest which began at the end of July and continued through October, where on average there was moderate daytime warmth and cool evenings that helped retain the winegrapes' freshness.

### VINEYARD NOTES

The Moscato vineyard sits at sea level providing fertile soil with an abundance of nutrients. We continuously manage both the nutrient and water levels to ensure the winegrapes develop strong flavors.

### WINEMAKER NOTES

Aromas and flavors of white peach, orange blossom and honeysuckle are balanced by a little sparkle giving the wine a light body and refreshing finish. It is a classic Moscato with natural sweetness and crisp acidity.
