FAMILY WINERY AND VINEYARDS

2019 ESTATE SAUVIGNON BLANC

We respect the land where our vineyards grow - our family's connection to nature gives our wine its foundation and individuality. Distinct soil and climate coupled with responsible farming practices highlight the character of each vintage from our generational farm in Lodi, California.

GROWING SEASON

The 2019 growing season brought above-average winter rainfall that transitioned into a mildly-cold and wet early spring. The first sign of bud-break was slightly later than prior years, however, with a very warm April our vines responded with rapid growth. May arrived with a strong winter-like storm dropping between two and three inches of rain causing fast growing canopies that required leaf pulling and trimming to open the vine for even ripening. Verasion progressed steadily to harvest which began at the end of July and continued through October, where on average there was moderate daytime warmth and cool evenings that helped retain the winegrapes' freshness.

VINEYARD NOTES

The vineyards are located in the Lodi Appellation where the cool nights keep the acidity just right for a balanced wine. Each vintage we have a consistent quality in our "Musqué Clone" and are pleased with the unique fruit flavors that come from the vineyards.

WINEMAKER NOTES

Our 2019 vintage is a refreshing wine opening with a combination of tropical, citrus and floral notes. The palate is greeted with crisp and clean Meyer lemon flavors and as a Musqué clone, layers of tropical fruit mingle nicely with the bright citrus notes.
