

# SAND POINT

## FAMILY VINEYARDS

At Sand Point, we think nature has its place – and that place is in and around our vineyards. We’ve restored the riparian habitat where our ranch meets the Mokelumne River – including the spot that gave Sand Point its name. Since then, we’ve brought nearby sloughs back into natural balance and surrounded our vineyards with 15-foot-wide swaths of native plants and trees, inviting bugs, birds and animals to make themselves at home. In return, the healthy soil and water nourishes our vines. Wild? Yes... but to us, it’s following in nature’s footsteps.

### TASTING NOTE

Our Chardonnay is between a creamy and dry style. It has ripe aromas and flavors of pineapple, sweet apple and vanilla. After your first sip, you will notice a bright acidity that adds freshness to the creamy texture.
