

Know your natural cork.

Cork Recycling Experts

Here's a quick guide to the types of corks we can and can't recycle.

YES

Agglomerated.

YES

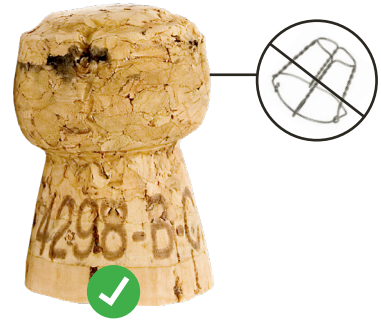

Twin-top agglomerated.

YES

One-piece natural.

YES

Champagne cork.

NO

Synthetic.

NO

Waxed.

NO

Plastic bar-top.

NO

Diam.

Synthetic plastics, wax, wire, foil and DIAM  corks undermine the purity and quality of our ground cork batches.
